

Recent Events

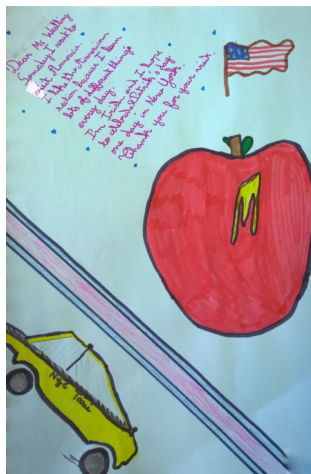

In october 2015, the 6th grade class at Vauban Middle School had the opportunity to meet and participate in a virtual exchange with the 6th grade class at Peabody Middle School in Charlottesville, Virginia.

Project Martin Luther King Jr :

The teachers at the American section worked with the students to create artwork in the style of Street Art : A portait of Martin Luther King Jr. on the door of one

Vauban Middle School classroom.

International American Section Belfort

What is an international American Section ?

The International American Sections exist in elementary, middle, and high schools.

There is one in the Besancon Academy :

Victor Hugo School
3 Rue F. Géant
90 000 Belfort
03 84 28 07 16

and

Vauban Middle School
Rue Anouar El Sadate
90 000 Belfort
03 84 21 64 67

At the school, other than regular subjects, the students in CE2 and CM2 follow some specific subjects.

In middle school, the students are taught American literature and social studies in English.

They can obtain a certificate, le brevet, with « série collège, international option », and diploma, le bac, with « international option ».

How does the admission process work

Students are recruited based on tests given during the month of May. Registration forms are

available :

- With the director of the student's school, for students who attend school in the Belfort area.
- With the management of the DSDEN of Belfort.
- You can also download a registration form from the DSDEN of Belfort website under the heading « orientation », then click the tab « Section Internationale Américaine ».
